August 22nd - August 26th :

Science of Summer! 9:00am – 12:00pm

Join us this summer as we explore all the different areas of science! Don't look now...or well ... actually do look, as we use our eyes in Optical Illusions and create their own periscope.

⊗

Radical Reactions: 1:00pm – 4:00pm

Become a Mad Science chemist as you learn all about the chemistry things that you encounter everyday in your house and school. Discover how chemical reactions are everywhere and how you can figure out if a chemical change has occurred right before your very eyes. Mix, mush and brew together different chemicals to create things that you can use in this hands-on lab.

August 29th- September 2nd :

NASA: The Academy of Future Space Explorers: 9:00am – 12:00pm

Set your future space explorers on a trajectory from our Earth's atmosphere to the outer reaches of our solar system! This hands-on program brings them closer to the stars, planets, comets, and more. They learn about living in space, getting away from gravity, and looking for space phenomena!

⊗

Rocking' Rocketry: 1:00pm – 4:00pm

This program focuses on rockets and the physics of rocket flight. After learning the model rocket safety code, campers build several different types of rockets.
