**T-Ball** - Saturday morning sessions, no evaluations for this age group. Players will go through drills and basic instruction to work towards being able to play games as the sessions progress.

**Minors (Grades 1-3)** - Teams will practice twice a week pre-season, practice days will vary based on the team. When the season starts teams will play 1-2 games per week. Coach Mark is back to lead the minor's division and teams will be working towards players pitching and get them ready for the Majors Division. Evaluations are extremely important for league balance so please be sure to attend.

**Major's Division (Grades 4-6)** - Teams will be split after evaluations, practice schedules will vary based on each team. Anticipate two practices a week in the preseason. Teams will have 1-2 games per week once the season begins. We will do our best to have our schedule allow for players to play in both our league and PPL with minimal conflict. Evaluations are also key for this division's competitive balance so please make sure you attend.

**We are also looking for a few volunteers as head coaches or assistant coaches. Please let us know if you're interested in helping out with the league this year, volunteer coaches will have all fees waived for their participating children. Volunteer coaching slots are limited so if you are interested, please reach out.**
