RESOLUTION No. 2012-281

INTRODUCED BY: M. Henwood

SECOND BY: R. Vidal

Authorizing Design Revisions to Veteran's Field Remediation and Restoration

WHEREAS the Mayor and Council has authorized the remediation and restoration of Veteran's Field and,

WHEREAS the original approved plan maintained the existing traffic pattern and parking plan on the east side of the Community Center whereby a grass island with benches existed between two parking areas creating a potentially dangerous situation and,

WHEREAS at the direction of the Mayor and Council, direction was given to the engineer, Neglia Engineering Associates, and contractor, Waterside Construction, to make any recommendations for improvements to the approved plans and,

WHEREAS the engineer and contractor have recommended a design change to the above referenced parking area as a matter of safety by eliminating the grass island between the two parking areas and moving the grass area with benches alongside the easterly section of the community center and creating parking bollards for added protection to residents seated on benches

NOW THEREFORE BE IT RESOLVED the Edgewater Mayor and Council hereby authorize the changes referenced above to the existing approved plans for the Veteran's Field Remediation and Restoration Project by way of a preliminary sketch to the site plan entitled "modification to parking" dated September 24, 2012 provided by Waterside Construction and reviewed by Neglia Engineering Associates

BE IT FURTHER RESOLVED that the above recommended changes have no monetary impact to the project and will not cost the Borough of Edgewater any additional money.

I hereby certify that the above Resolution was adopted by the Mayor and Council on October 15, 2012.

BARBARA RAE, RMC, CMC
 Borough Clerk
