Re : VETERANS PARK, 1167 RIVER RD, EDGEWATER BORO-BERGEN CO  
Incident #: 13-10-03-1252-52

Dear Sir or Madam:

A release of hazardous substances at the above referenced property has been reported to the Department of Environmental Protection (Department). You have an affirmative obligation to remediate this discharge. This letter is intended to provide you with the information you will need in order to complete the remediation in accordance with the Department's regulations.

On May 7, 2009, the Site Remediation Reform Act (SRRA) was enacted. The SRRA establishes criteria for the licensing of site remediation professionals who will assure that contaminated sites are remediated in accordance with the Technical Requirements for Site Remediation, N.J.A.C. 7:26E. The SRRA authorizes the Department to establish mandatory timeframes for the completion of each phase of remediation. These timeframes, as well as other requirements of the act, have been codified in regulations that became effective on November 4, 2009. The complete rule can be found at [www.state.nj.us/dep/srp/regs/arrcs/arrcs\\_rule.pdf](http://www.state.nj.us/dep/srp/regs/arrcs/arrcs_rule.pdf). N.J.A.C. 7:26C-2.4 identifies the requirements with which you must comply.

Failure to comply with the SRRA regulations may result in the Department taking direct oversight of the remediation of the contaminated site. Once a site or a portion of a site is under direct oversight, the responsible party forfeits all rights in the decision making process regarding the remedial investigation and remedial action to be performed at the site, including remedy selection. Additionally, the responsible party will be required to post a remediation funding source (RFS) and the Department will control the disbursements from the RFS.

As the first step in the remedial process, you must promptly (within 5 days of discovery) complete a Confirmed Discharge Notification Form. If you have already submitted this form, the next step in the process is to hire a LSRP. A list of LSRPs is available at [www.state.nj.us/dep/srp/srra/srp/temporary\\_lsrp\\_list.htm](http://www.state.nj.us/dep/srp/srra/srp/temporary_lsrp_list.htm). A LSRP Notification of Retention or Dismissal Form must be completed and submitted to the Department within 45 days of discharge discovery. The required forms may be found at [www.state.nj.us/dep/srp/srra/forms/](http://www.state.nj.us/dep/srp/srra/forms/)

Please send all submittals to:
