June 26, 2012

Dear Neighbor,

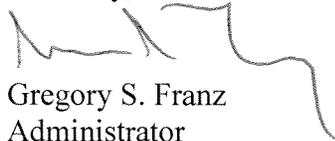

We would like to advise you that the tentative start date for the remediation and restoration of Veterans Field is the week of Monday, July 9, 2012. The work will commence on the five identified areas where soil is to be removed. Once this task is completed the contractor will move to the Little League field to begin that remediation and restoration. Air monitoring equipment will be installed throughout the facility; noise and dust is expected and we will make every effort to minimize this inconvenience. We recommend that you keep your windows closed during the normal work day of 7:00 a.m. – 5:00 p.m.

The Community Center will remain open with modified traffic and parking. Please be cautious of the increased truck traffic as a result of the construction.

If you have any questions or concerns, please do not hesitate to contact us and we look forward to the grand re-opening of Veterans Field in 2013.

For comprehensive information on the Veterans Field Project, please visit our website at <http://www.edgewater.nj.org/veteransfield.asp>.

Sincerely,

Gregory S. Franz
Administrator
