### **Governor Murphy Signs Executive Order Allowing Resumption of Child Care Services, Youth Day Camps, and Organized Sports Over the Coming Weeks**

**TRENTON** – Last night, Governor Phil Murphy signed Executive Order No. 149, allowing the resumption of child care services, youth day camps, and organized sports. This Order rescinds the emergency child care program under Executive Order No. 110 as of June 15, and permits child care centers to resume normal operations on or after June 15, subject to their compliance with COVID-19-specific health and safety standards. Additionally, youth day camps can open on or after July 6, and must comply with COVID-19-specific health and safety standards.

The Order also suspends the prohibition on individuals engaging in organized sporting activities as of June 22, provided that activities remain outdoors and are non-contact, and the Department of Health will issue health and safety standards for these activities. High school sports under the jurisdiction of the New Jersey State Interscholastic Athletic Association (NJSIAA) may resume only in accordance with reopening protocols issued by NJSIAA, and cannot resume any earlier than June 30.

“My Administration has been steadfast in our commitment to let science, data, and facts guide New Jersey’s restart and recovery process,” **said Governor Murphy**. “In order to continue our momentum in restarting New Jersey’s economy, we must prepare our workforce to return to their jobs by ensuring a continuum of care for their children. Our child care centers, youth day camps, and organized sports will adhere to strict public health and safety protocols so that New Jerseyans can confidently participate in the restart and recovery process.”

- Each child care center must submit an attestation to the Department of Children and Families no later than 24 hours prior to the anticipated opening date, or in the case of currently operating emergency child care centers, within fourteen days of the effective date of this Order, attesting that it will follow all applicable health and safety standards, as detailed in the COVID-19 Child Care Standards.
